The assigned auditor will email the audit plan schedule to you prior to the audit.

Intertek SAI Global assumes your acceptance of the above audit dates for your company. **If you do not intend to have Intertek SAI Global perform the audits scheduled on any of the dates shown above you must notify us in writing of your request to release any of these audit dates.** Failure to notify Intertek SAI Global 30 days prior to the audit date may require a payment of a rescheduling/cancellation fee with proper Intertek SAI Global approval. Refer to your service agreement for details.

It is your prerogative to object to the individual(s) assigned to the audit team. Any such objections to the audit team assigned must be submitted to me in writing, including the basis for the objection. (Does not apply to MDSAP and MDR Medical Programmes for which concerns related to the audit team composition shall be communicated via the formal dispute resolution process).

Please take note that Intertek SAI Global reserves the right to send additional personnel to any Intertek SAI Global audit for the sole purpose of monitoring and evaluation of their audit staff. Costs associated with this remain the responsibility of Intertek SAI Global.

If you have any questions regarding scheduling, please feel free to contact me directly.

Should you wish to expand your knowledge on how to handle remote auditing, please do access our Remote Auditing Process eLearning course, which can be found here [Intertek SAI Global Education and Training](#).

For the complete list of our online courses, you can find it at [Intertek SAI Global Education and Training](#).
